THIS SACRED LANGUAGE

ABOUT ME

Somesh, a versatile guitarist from Pune with over a decade of experience, is currently delving into the world music genre with elemental fusions. His musical journey began at the age of 14 when he first held a guitar, sparking a lifelong passion for music.

With a deep understanding of music theory, Somesh's compositions have evolved significantly. Starting as an indie artist, he is now devoted to creating mesmerizing acoustic pieces that touch the soul. His music is meditative and thought-provoking, aiming to help the audience connect with their true selves. Somesh's vision is to convey emotions that inspire personal growth and spiritual awakening through the power of music.

Currently, he has geared up with his set of acoustic compositions for his debut album 'Winds of Rebirth' and is eager to touch people's souls through live performances across India.
